THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI JAYSINGRAO GAIKWAD PATIL): (a) and (b) There is no management crisis in the REC, Silchar and the Institution is not on the verge of closure. Complaints regarding corruption are received from time to time and these are enquires into, wherever felt necessary. The REC, Silchar has not had a regular Parincipal for some time. The process of filling the post through regular

(c) The Regional Engineering College, Silchar established in November, 1967 is one of the seventeen Regional Engineering Colleges started under the scheme "Establishment of Regional Engineering College'. It is a joint venture of the Central Government and the State Government of Assam. The Government of India is meeting the entire non-recurring expenditure. The recurring expenditure is shared by both the Government of India and the State Government of Assam on 50:50 basis. Its management in the matter of finance and adminstration is vested in the duly constituted Board of Governors functioning under the Chairmanship of Hon'ble Minister for Technical Education of the State Government and having representatives of Central Government, State Government, University Grants Commission, All India Council for Technical Education etc. as members. Hence, taking over the management directly by the Central Government does not arise.
